

SCOPE

"International Journal Automation Austria" (IJAA) publishes top quality, peer reviewed papers in all areas of automatic control concerning continuous and discrete processes and production systems.

Only original papers will be considered. No paper published previously in another journal, transaction or book will be accepted. Material published in workshops or symposia proceedings will be considered. In such a case the author is responsible for obtaining the necessary copyright releases. In all cases, the author must obtain the necessary copyright releases before preparing a submission. Papers are solicited in both theory and applications

Before preparing submissions, please visit our instructions to authors (see back cover) or web page.
